### **Emerson's**

**16.5**

#### **Pilsner**

A 'Kiwi Classic' pilsner showcasing Nelson grown Riwaka hops. Characterised by an overt fruitiness with a palate that shows a hint of early malt sweetness but develops a lengthy dry finish.

#### **Bookbinder**

A wonderful interpretation of a classic English Ale. Bookbinder is a blend of four malts combined with two classic Nelson grown European hops. Its aroma is sweet and perfumy with a soft fruit and malt palate. Full flavoured and refreshing with a long, gently drying finish.

#### **1812 Hoppy Pale Ale**

New Zealand's first new generation Pale Ale. Medium bodied, the palate first offers a marmalade-like combination of ripe citrus and caramelised malts before resinous hops come to the fore and lead into a lingering dry finish.

#### **London Porter**

This malty dark ale is firm-bodied, but not heavy, with a creamy texture. It is dry and mellow with a palate full of roasted malt, coffeeish notes and sustained bitterness.

### **Little Creatures**

**10**

#### **Pale Ale**

Character driven by fresh whole hop flowers carefully selected to be bursting with aroma and essential oils. Featuring crisp citrus flavours of grapefruit and passionfruit solidly backed with a good balance of bitterness.

#### **Pilsner**

With Tasmanian Helga, New Zealand Pacifica and Saaz hops added throughout the brewing process, this refreshing and elegant lager delivers a light fresh flavour and crisp bitterness.

#### **IPA**

The rugged hops and citrusy nose of this IPA are complimented with savoury undertones of aniseed and balanced out with a long firm bitterness to finish.
