Craft Beers

Emerson's

16.5

Pilsner

A 'Kiwi Classic' pilsner showcasing Nelson grown Riwaka hops. Characterized by an overt fruitiness with a palate that shows a hint of early malt sweetness but develops a lengthy dry finish.

Bookbinder

A wonderful interpretation of a classic English Ale. Bookbinder is a blend of four malts combined with two classic Nelson grown European hops. Its aroma is sweet and scented with a soft fruit and malt palate. Full flavored and refreshing with a long, gently drying finish.

1812 Hoppy Pale Ale

New Zealand's first new generation Pale Ale. Medium bodied, the palate first offers a marmalade-like combination of ripe citrus and caramelized malts before resinous hops come to the fore and lead into a lingering dry finish.

London Porter

This malty dark ale is firm-bodied, but not heavy, with a creamy texture. It is dry and mellow with a palate full of roasted malt, coffee notes and sustained bitterness.

Little Creatures

10

Pale Ale

Character driven by fresh whole hop flowers carefully selected to be bursting with aroma and essential oils. Featuring crisp citrus flavors of grapefruit and passionfruit solidly backed with a good balance of bitterness.

Pilsner

With Tasmanian Helga, New Zealand Pacifica and Saaz hops added throughout the brewing process, this refreshing and elegant lager delivers a light fresh flavour and crisp bitterness.

IPA

The rugged hops and citrusy nose of this IPA are complimented with savoury undertones of aniseed and balanced out with a long firm bitterness to finish.
